

The Rose Bud

OF 1950

INTRODUCTION

The school year of 1949-1950 has ended. As we linger over these pages-may the sight of familiar faces awaken tender thoughts of the past and leave with us many a throng of glorious memories.

This yearbook, THE ROSE BUD, is a record of associates and happenings of this eventful year.

We, the Seniors and the ROSE BUD Staff, stand proud and with a purpose-to inspire every student to good citizenship, which is our theme for this yearbook.

We are keenly aware of the fact that a better democracy in America is made by its citizens as they are able to apply their knowledge for worthy citizenship and leadership.

Editor: Lenore Maness

We are proud to have as our principal a man who is interested in each individual student. We admire Mr. Dungan because he challenges the best in his students.

A letter from Mr. Dungan:

Dear Students:

This book is a pictorial record of one year of your school life. In thumbing through its pages you will be reminded of experiences that have played a part in the moulding of your life and character. I sincerely hope that these memories are pleasant.

As you face the opportunities and duties of the future it is my wish that you be ever mindful of good citizenship. Our America can remain great only through its citizens. You have been taught your duties and privileges as citizens--it is your solemn obligation to exercise these in your life in the community.

In the production of this book you have gained some valuable lessons for life. Our world needs the spirit of co-operation and good-will, of tolerance and understanding that was found in this cooperative enterprise. As you have a better America and world for the future.

Sincerely,
Thomas B. Dungan

BOARD OF TRUSTEES

LEFT TO RIGHT: MR. W. H. SADDLER-TRUSTEE, MRS. O. R. HEAD-CHAIRMAN OF TRUSTEES, MR. MARVIN SPINKS-TRUSTEE.

Since assuming the duties of trustees for our school, Mrs. Head, Mr. Spinks and Mr. Saddler have unselfishly given time, thought and effort toward improvements which will have far-reaching results. We extend our thanks and deep appreciation to these efficient citizens.

DEDICATION

The 1950 ROSE BUD is dedicated to Mr. D. F. Anderson Jr. This is his twentieth year as an instructor and football coach in Thomasville High School. Mr. Anderson has inspired progressive citizenship during these years and we admire him.

TO THE CLASS OF 1950

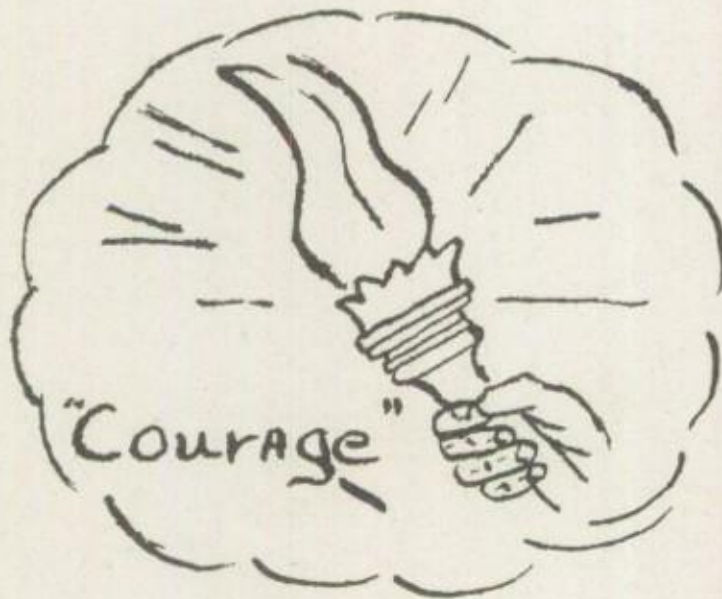

My thoughts take wings as you pass me
in review:

What does the future hold? How will you
meet

Life's problems, sorrows, doubts-and
joys complete?

Find strength for facing all that comes
to you

Through Faith in God.

And, having faith, now diligently strive
To keep your lives above reproach or
stain;

Be ever watchful lest the thought of gain
Be uppermost and dominate your lives.
Let Wisdom rule.

Many are the paths that lie before you,
Many fields of service unexplored;
When you have chosen one, press
staunchly toward
Your goal, which must be ever kept in
view.

Have Courage strong.

THOMASVILLE HIGH SCHOOL CREED

I believe in the wholesome educational ideals of the Thomasville High School of which I am a member. The purpose of my school is to develop one's spiritual nature for worship, to train the mind of the individual, to uphold the morals of society, and to promote health and physical growth. It is, therefore, my duty as a student to respect the instructions of those in authority so that I may develop into a more progressive citizen, and thus uphold the ideals of democratic living in America.

(This creed, written by Mrs. Marvin Spinks, was adopted by the student body this year during chapel assembly.)

CLASS HISTORY

"School days, school days, dear old golden rule days," is a peppy tune we were taught back in 1938. This is the year that fourteen of the forty seniors of 1949-50 gathered in the Thomasville grammar school and started on their quest for good citizenship. This was one of the greatest events that we had ever experienced. This year Mrs. Hanson, our first grade teacher, began the first link in the long chain of our education here at Thomasville. She was the teacher who directed us along the right path and helped us get started off on the right foot. She instructed us on subjects such as: How to get along with other people that we are associated with, the importance of giving instead of taking and the importance of an education.

The rest of our grammar school days were contributions and enlargements added to these fundamentals. The following teachers made it possible for us to sail through the next few years of our journey: Mrs. Decie Regan, our second teacher; Miss Frances Kerridge, our third; Miss Myrtle Rigdon, our fourth; Mrs. Earl Kimbrough, our fifth and Mrs. Alex Gunn, our sixth. These patient and understanding people are the ones who made it possible for us to enter the next portion of our education.

Our seventh grade teacher was Mrs. Dovie Fair Anderson, Jr., who followed us on up to the eighth grade. Mrs. Massey Griffin was our ninth grade teacher. She was the one who secured for us the rare privilege of having our graduation exercises at night.

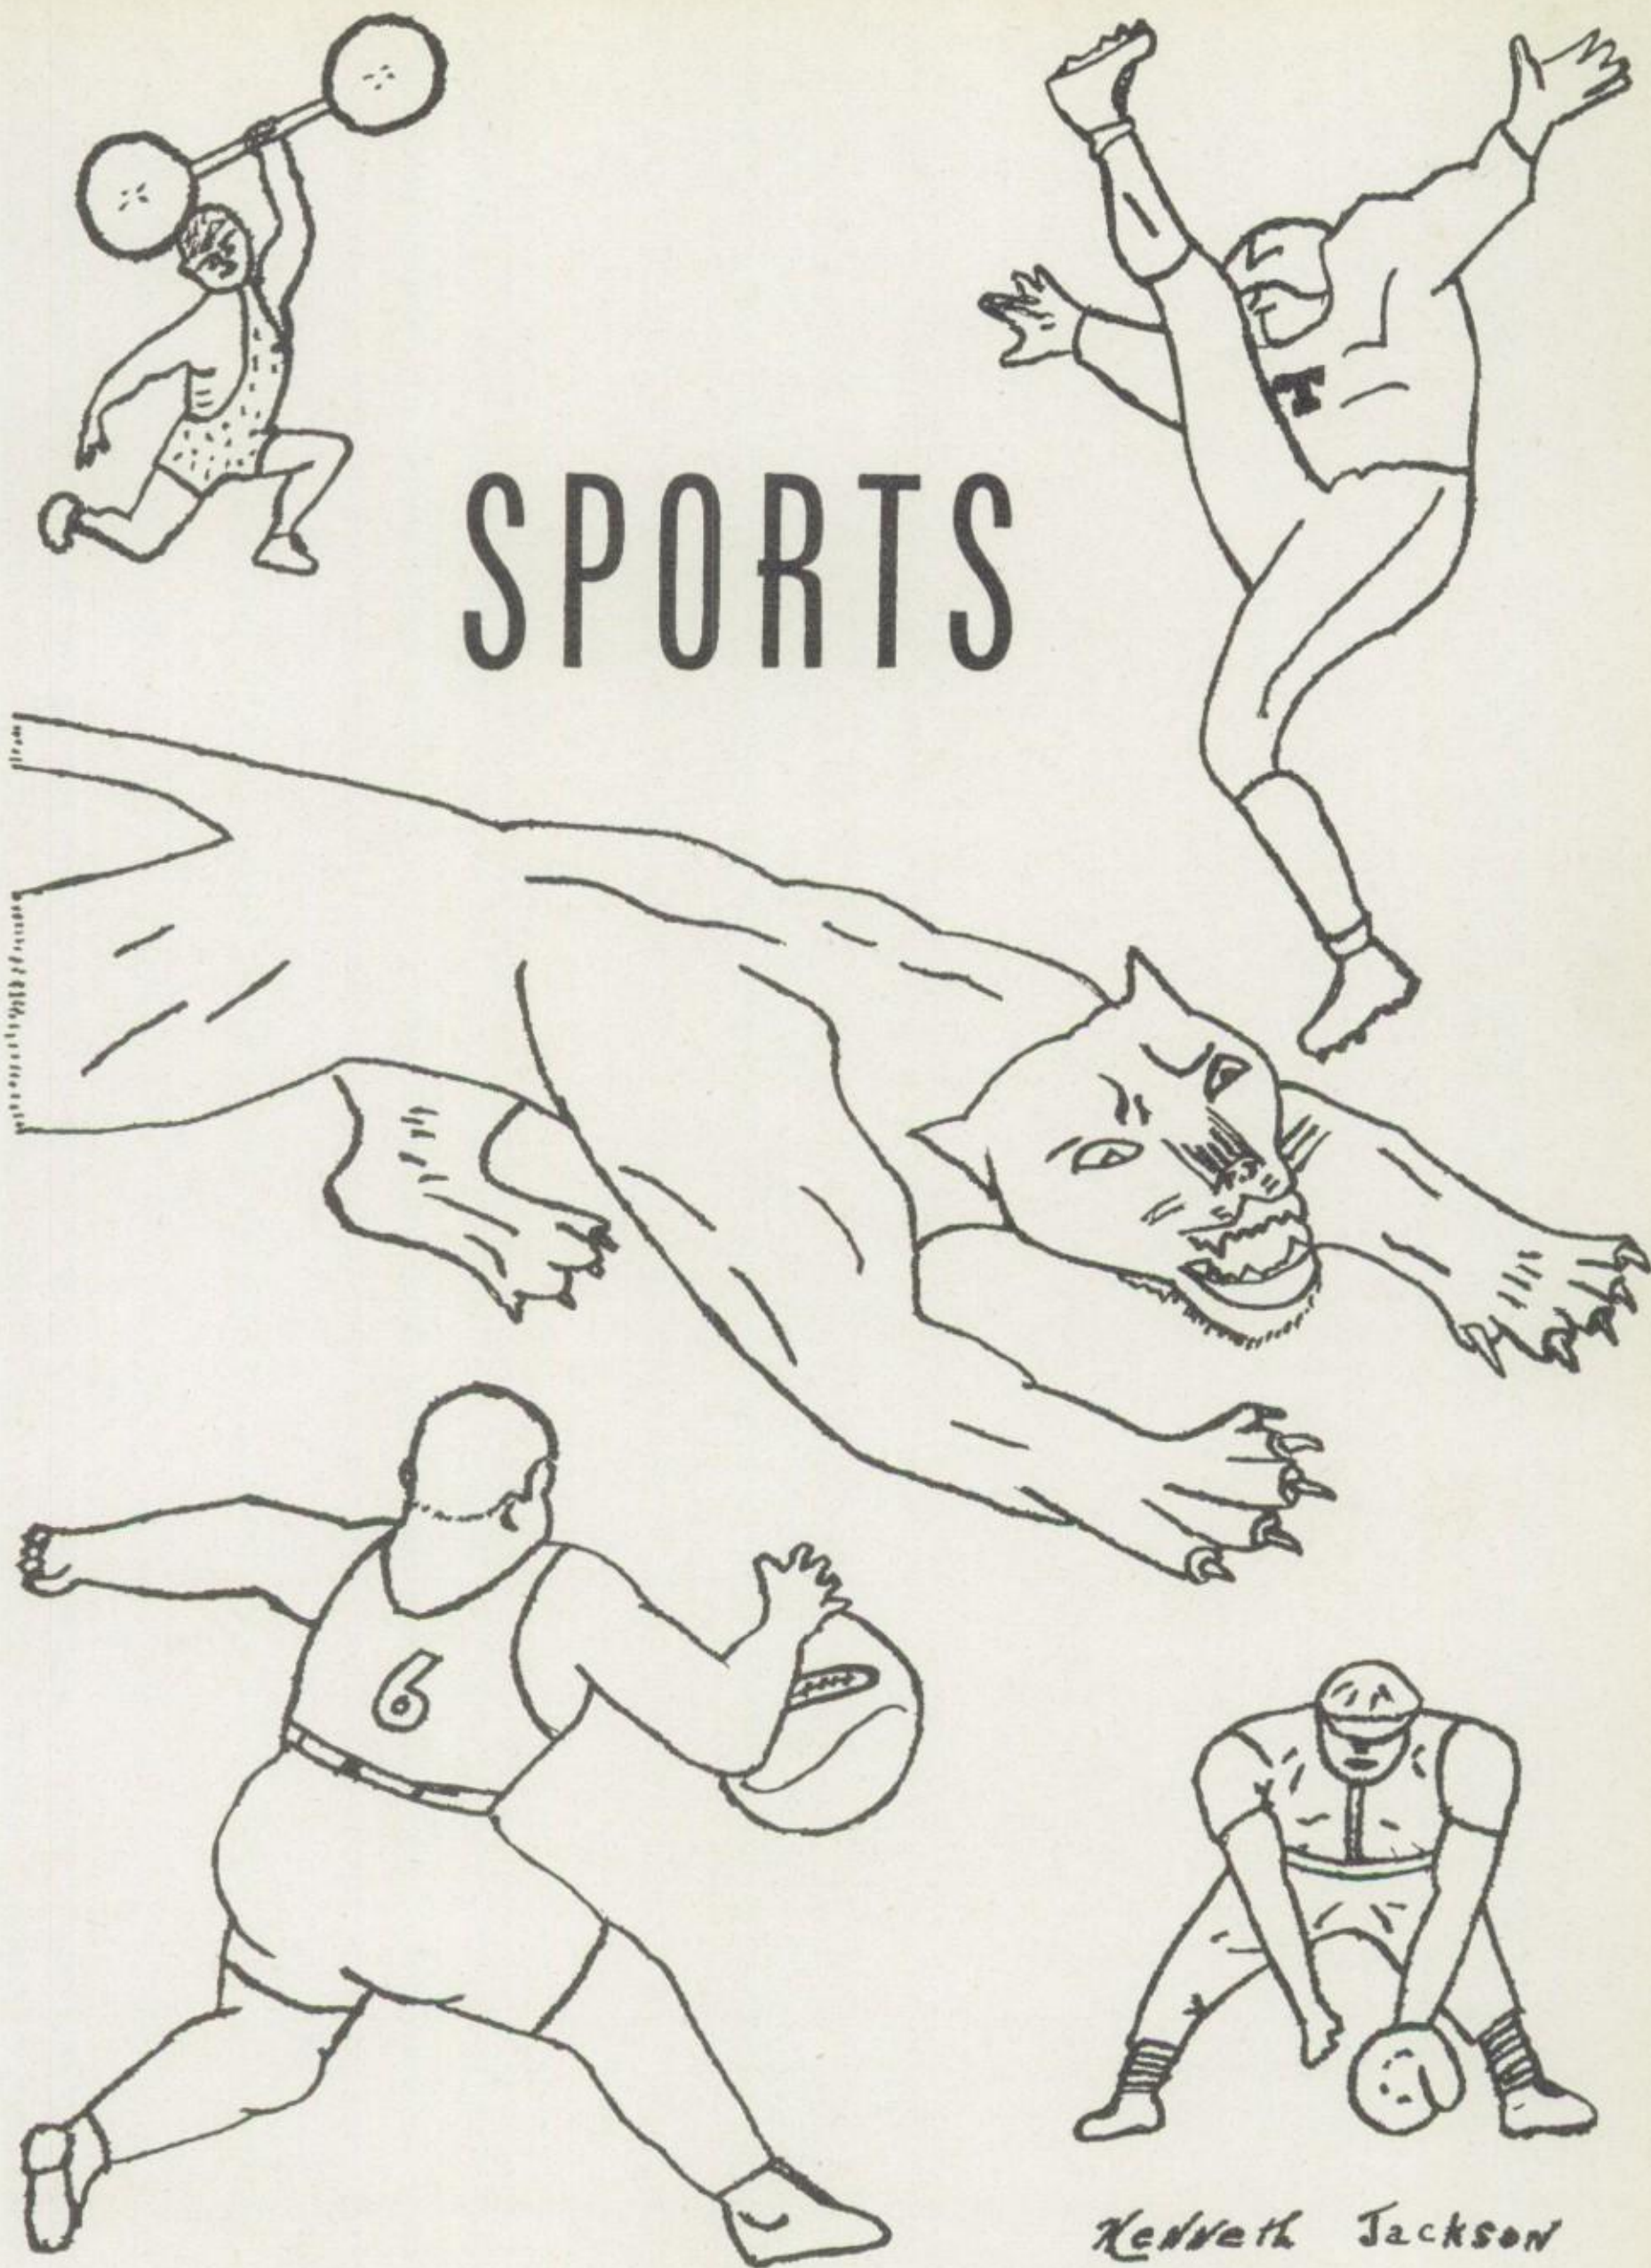

Then the thrill of senior high school days came to us with the new atmosphere of really thinking we were coming up in the world. Mrs. Spinks, with her untiring patience, led us through the first rough waters that senior high school presented to us. Mr. Dovie F. Anderson, Jr., our eleventh grade teacher, made the year 1948-49 one long to be remembered. He, with the able assistance of Miss Frances Lou Brantly made it possible for our class to give the seniors of that year a formal banquet. That was the greatest occasion of the year.

Mrs. Haywood Wilson is our senior home room teacher. She helps many of her pupils in solving their problems concerning their futures. She has an untiring patience and is always the same, smiling and willing to help you in any way that she can.

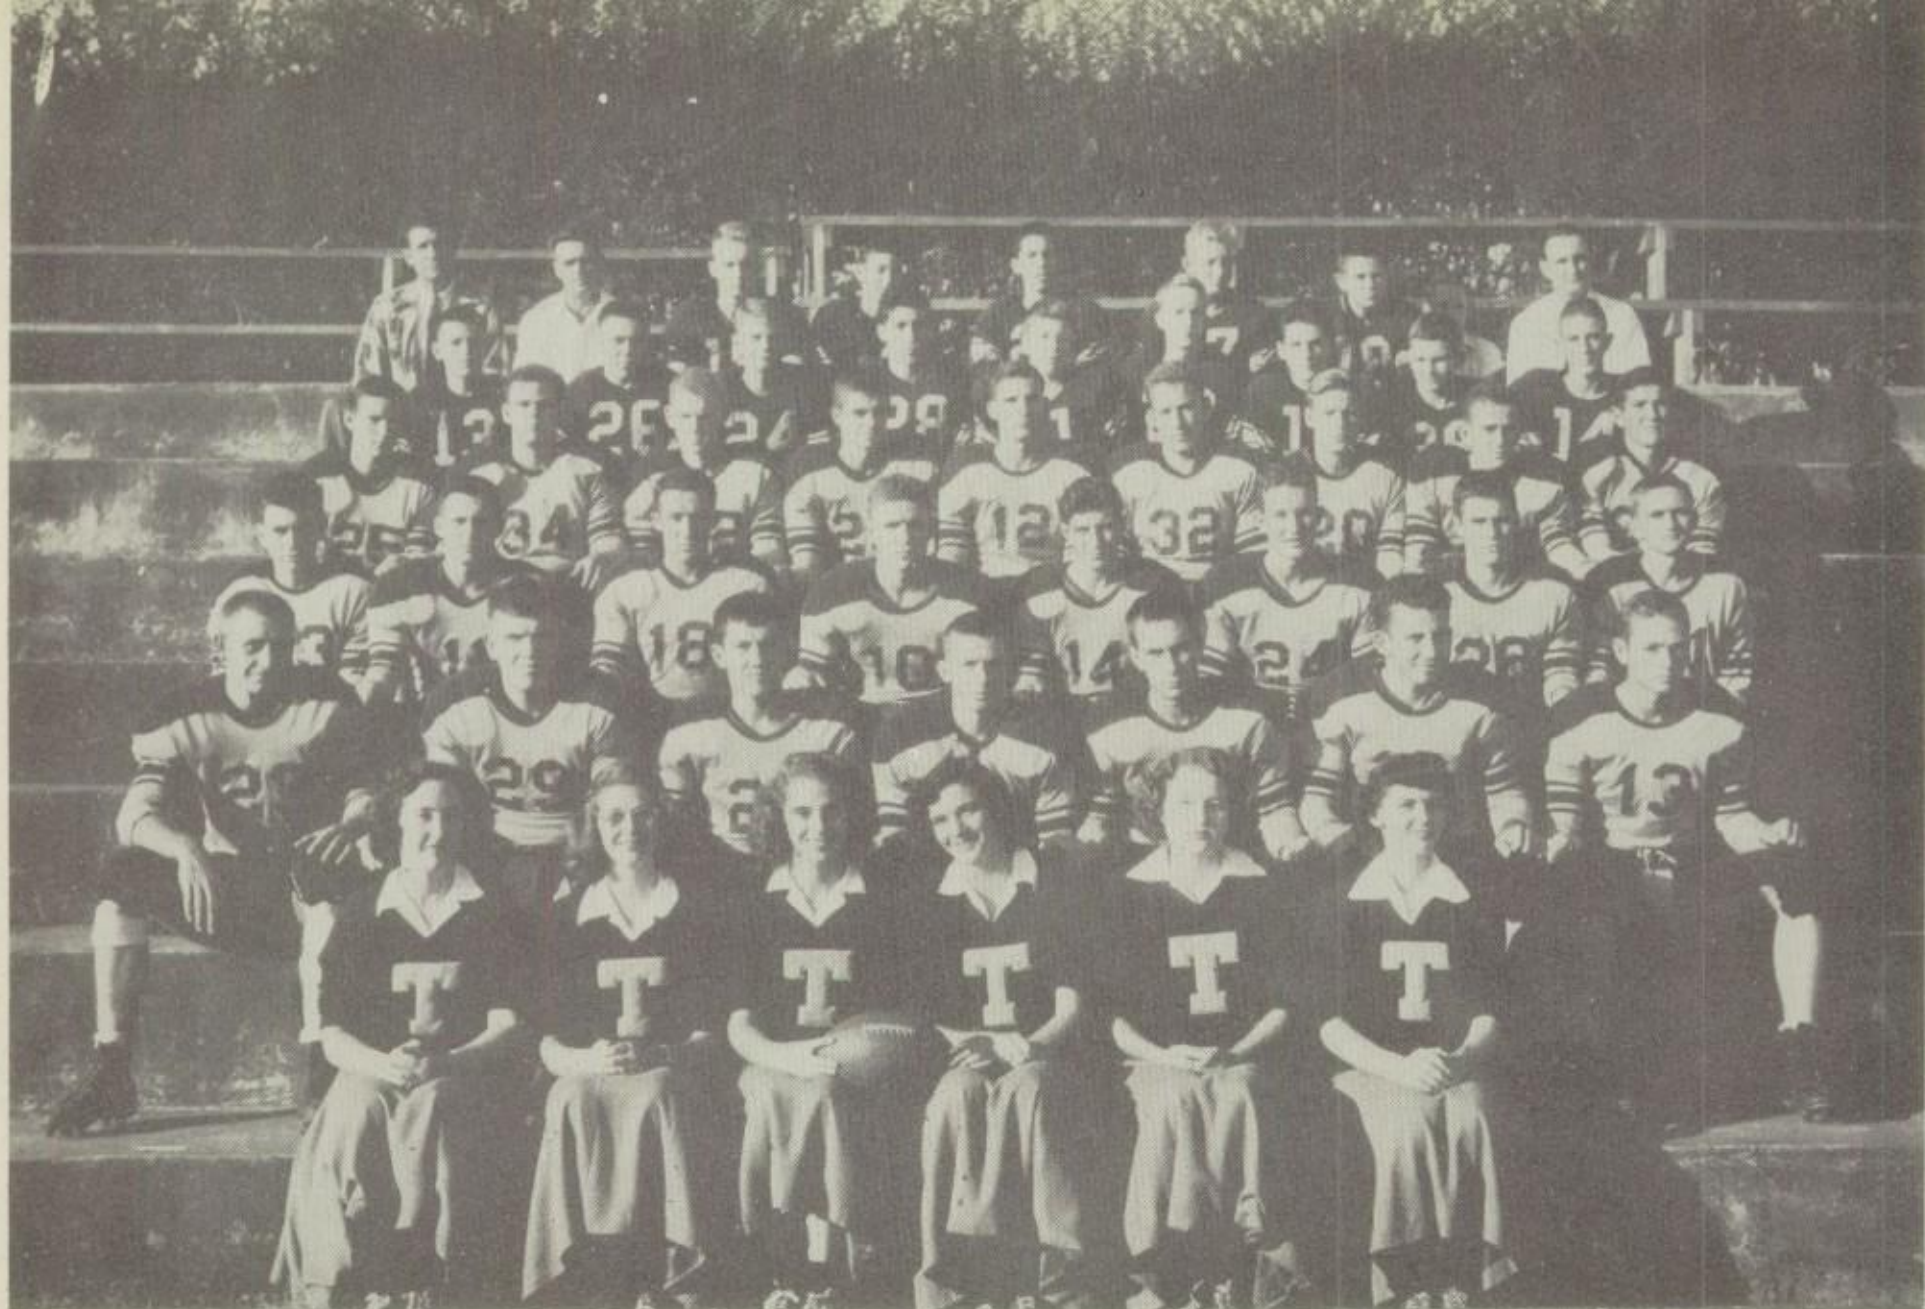

This year, 1949-50, is for some of us, the last link in the educational chain begun in 1938. This thought causes us to have a mixture of feelings-sorrow, because we are leaving the carefree school days; pleasure, because we have achieved a long-sought goal. While this year marks the end of one phase of our lives, it marks the beginning of another. May the years ahead be as happy as those of the past have been, and bring with this happiness the full measure of success that the heart of each senior desires.

Tigers Drop First Game, 6-0

A very fine Evergreen team handed Thomasville a 6 to 0 defeat in the opening game of the 1949 season Friday night. The inexperienced Tigers held the Corcuha eleven scoreless until the final few minutes when they scored on a long run after a fumbled punt.

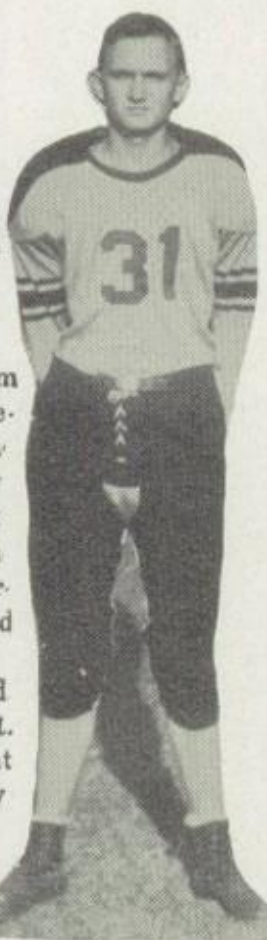

The Tigers didn't look too bad except in the tackling department. Good tackling on their part might have given them an upset victory. The blocking, while far from perfect, was better than usual for initial game, and will improve the season progresses.

Coach Anderson was loud in his praise of two Evergreen backs, Rawls and Ryan. These two boys were the difference in the two teams. Cunningham, a husky center weighing 195 pounds, was the defensive star for Evergreen.

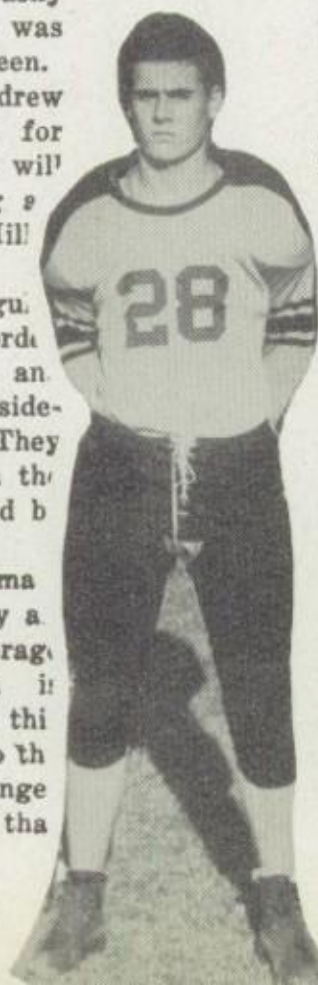

Thomasville's Don Pugh drew praise from Coach Anderson for his fine defensive play and he will probably be given a starting assignment in the game with Millry Friday night.

Four of Thomasville's regular starters, Billy Ricketts, Cordell Hutto, Kenneth Huggins and Lloyd Tucker, were on the sideline for Monday's scrimmage. They suffered severe lime burns in the game Friday night, but should be ready to go against Millry.

Little is known about Thomasville's next opponent, but they always have above-the-average teams, and Coach Anderson is working his boys extra hard this week in an effort to break into the win column. Only a few changes will be made in the line-up that started in the first game.

T'ville Wins Over Millry, 40-0

by James Allen Downey

The Thomasville Tigers broke into the win column Friday night by trouncing a game but outclassed Millry eleven by a score of 40 to 0. Strong power plays and well executed passes accounted for most of the Tiger tallies. Millry was unable to stop the line plunges of Billy Ricketts, hefty Thomasville back, and he accounted for much of the yardage gained. He was ably assisted in this department by Donald Pugh, who also played a spectacular defensive game. Tommy and Bob Nichols were other outstanding stars in the Tiger backfield.

Carroll Scarbrough, at center, turned in a nice performance, as did Cordell Hutto, end, who nabbed a number of Ricketts' passes for long gains.

Coach Anderson used his entire squad during the game, and several of the newcomers showed up well in their first test against competition.

Thomasville meets Sweetwater Friday night in Sweetwater, in what promises to be an excellent game. Reports indicate that they have one of the best teams in several years and would like very much to hand the Tigers a lacing. Ailing members of the Thomasville squad have recovered from severe lime burns received in the Evergreen game, and Coach Anderson will probably be able to field his strongest team against the Marengo eleven.

T'ville Wins Over Sweetwater, 26-0

by James Allen Downey

The Thomasville Tigers, rated the underdogs, roared to a 26 to 0 win over a very strong Sweetwater eleven last Friday night on the latter's field. It was Thomasville's second win this season against one defeat.

Sweetwater won the toss and elected to receive. Ricketts kicked off and the Tigers held for downs. Sweetwater punting to the midfield stripe. A series of line backs and end runs carried the ball to the Sweetwater five and Bob Nichols went over on the next play for the initial marker. The Tigers tallied again in the second quarter when tough Lloyd Tucker broke through to block a Sweetwater punt which was caught by Donald Pugh who raced twenty yards around his right-end to score standing up.

Billy Ricketts, driving Tiger back, was probably the outstanding ground-gainer and his powerful line plunges enabled Coach Anderson's charges to add two more touchdowns during the second half. Cordell Hutto gained plenty of yardage during the night on well executed end-around plays.

Thomasville looked much improved in the blocking department and the tackling was vicious at times. The Tiger line play was much better, especially on offense, and the backs were able to get through into the Sweetwater secondary on almost every play. The Thomasville air attack, however, was woefully weak, and Coach Anderson is devoting much of his attention to this department during scrimmages this week.

Sweetwater was simply no match for Thomasville Friday night, although they showed spurts of offensive ability. They have a number of potentially fine players in the squad and their team should improve as the season progresses.

Tigers - Bulldogs Tangle Friday

Thomasville won the first game to be played at home Friday night when they downed a very determined Coffeeville eleven by a score of 25 to 0. The Tigers, doped to win by a larger score, had to fight all the way, and Coach Anderson was forced to keep most of his best men in the game until the final whistle.

Oris Harrison and Billy Ricketts scored two touchdowns each for the Tigers, but the going was rough all the way. Spotty blocking and tackling was evidenced throughout the game, and Coach Anderson was far from pleased with the showing made against the Coffeeville team.

The visiting team presented a light but scrappy bunch of boys and every opponent they meet this year will have to turn on the steam to get by them. The annual Tiger-Bulldog game is set for Friday night on the Thomasville field, and, as always, it will be a corker. They say Grove Hill simply doesn't have it this year, but they generally believe Thomasville when they don't have other good scrap this year and because of over-confidence. Long drills and rough scrimmages have been on the program all this week, as Coach Anderson has sought to iron out a number of kinks both on offense and defense.

The Tigers were unable to make any sizeable gains through the Jackson line and their end plays were bottled up entirely. What few passes they tried through the Jackson secondary were the of-fense stars for Jackson. They reeled off yardage almost at will. John Harrison, former Thomasville boy, played a splendid game at end for the visitors.

The Tigers, who have looked good all the year in the tackling department, forgot all the fundamentals of football and went in for the embracing, neck-loving type of tackling.

Cordell Hutto's long boots down the field kept the score from mounting, and Huey Cassidy played his usual good game in the line. Thomasville, stunned by two straight Friday night when they meet the strong Butler team in Butler. A large crowd of Thomasville fans will make the trip to Chocotaw County in the hope of seeing a rejuvenated Tiger team.

Jackson Defeats T'ville, 19-0

Coach John D. Simpkins' Jackson Aggies handed Thomasville a stunning 19 to 0 defeat here Friday night before 1,200 spectators. The Tigers, playing without the services of two star backs, were doped to lose, but by a much smaller score. The Aggies probably could have made the score more one-sided, but with a comfortable lead they settled down to a defensive game.

Tigers Win Over Grove Hill, 31-0

Coach Anderson's Tigers bested the Grove Hill Bulldogs here Friday night by an overwhelming score of 31 to 0. Nearly 1,500 fans saw Thomasville crush the visitors in a one-sided contest, featured by powerful line thrusts and well executed end plays. The Tigers did not take to the air a single time to score the five six-point markers.

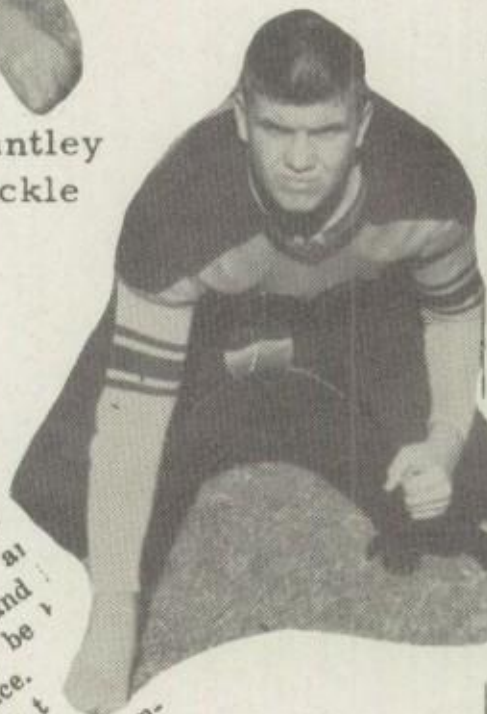

Billy Ricketts accounted for three touchdowns and Oris Harrison and Tommy Nichols for one each. Cordell Hutto looked good on a number of punts, and Carrol Scarbrough broke up a number of Grove Hill passes. In fact, every Bulldog pass was either missed or knocked down to give them a 0 in the passing department. Spidle attempted a number of passes but the Thomasville line gave him little time to get them away.

The Thomasville line play was above the average, with Cassidy, Spidle and Scarbrough looking good on both offense and defense. Grove Hill didn't give the Tigers the battle that many expected. However, they were hard-hit by graduation and injuries. Bradford, Spidle, Gates and Carlisle were the outstanding players for the Bulldog team.

Thomasville meets Chatom here Thursday night in what should be one of the best games of the season. Coach Roy Knapp would like very much to hand the Tigers another licking and he has his boys keyed up for this game.

Chatom Rolls Over T'ville, 12-6

Coach Dovey Fair Anderson's Tigers lost their second game of the season to a very fast and deceptive Chatom team here Thursday night by a score of 12 to 6.

Coach Roy Knapp's boys played alert and snappy ball all the way and approximately 1,000 fans saw as thrilling a game as has been played here this year. Thomasville showed occasional spurts of offensive power and managed to stop the Chatom rushing attack on most occasions, but the accurate Chatom passes made the difference in the two teams. The Bulldogs simply outplayed the Tigers and deserved to win.

Chatom drew first blood when on the kick-off they recovered a Thomasville fumble, and on the second play George Martin threw a pass from the 40-yard line that Don Lyles took in the end zone.

This was all the scoring for the first half. Chatom received at the beginning of the second half, and marched 80 yards in 10 plays to tally when Martin drove over from the 6-yard line.

Thomasville came back and scored in the fourth quarter when Ricketts scored on a 20-yard run around left end.

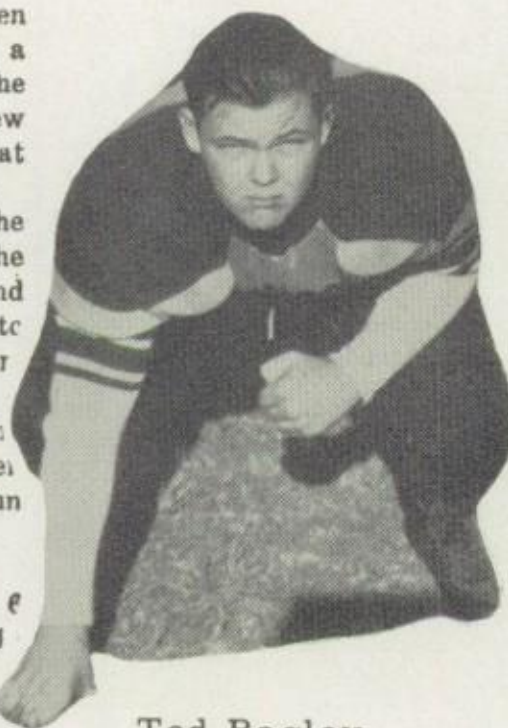

Score by periods:

Thomasville	0	0	0	6	— 6
Chatom	6	0	6	0	— 12

Fans are in for another treat Friday night when the Tigers meet the Jackson Aggies here at 8 o'clock. Both teams have been defeated and according to comparative scores there is little difference. Should Thomasville win this game they will be the undisputed County Champions, having already won over Grove Hill and Coffeeville.

Last Home Game Friday Night

The Thomasville Tigers downed a fighting Butler team last Friday night on the latter's field by a convincing score of 26 to 0. Billy Ricketts was hot, scoring three of the four touchdowns and adding 10 of the points after TD's. Corbett Hutto scored the other mark on an end-around play with no blocking.

The outcome of the game was never in doubt after the first few minutes of play, although the Butler team put up a game fight all the way. The Tigers looked much better defensively and offensively, although their pass plays still don't click. Coach Anderson hasn't been able to uncover an accurate passer from the material on hand and the pass receiving has left much to be desired.

Cordell Hutto kept up his excellent left-footed punting, and kept the Choctaw team back in their territory most of the game. His long spirals went over the safety man's head a number of times and the punt went out of bounds of the Butler two yard line.

Carroll Scarbrough nullified the only serious Butler threat when he caught a TD minded back from behind to haul him down on the yard 20. A pass interception nullified this Butler drive. Huey Cassity played good ball in the Thomasville line.

Thomasville meets a very strong Demopolis team here Friday night. They are doped to lose by several touchdowns, but it is Homecoming at the local school and the Tigers may be keyed up for the fracas with the Marengo boys. At any rate, it will be a good game, and the last home game for the Tiger eleven.

Greenville Wins Over Tigers

A very fine Greenville team scored in every quarter Friday night to hand the Thomasville Tigers their worst defeat of the 1949 season. The final score was 48 to 7, Ricketts scoring the only tiger tally.

The loss to Greenville gave Thomasville one of the worst seasons in recent years with five losses and five wins. They also lost to Evergreen, Chatom, Jackson, and Demopolis, while winning over Millry, Grove Hill, Sweetwater, Butler and Coffeeville.

Considering the material on hand, however, Coach Anderson did a fine job. Few veterans were left from last year's team and his main quarterback was forced to give up football after the first few games due to a heart ailment. All in all, the boys and their coach deserve much credit for their .500 finish. They played hard, aggressive football in every game, and some of the losses could have been turned into wins with a break or so.

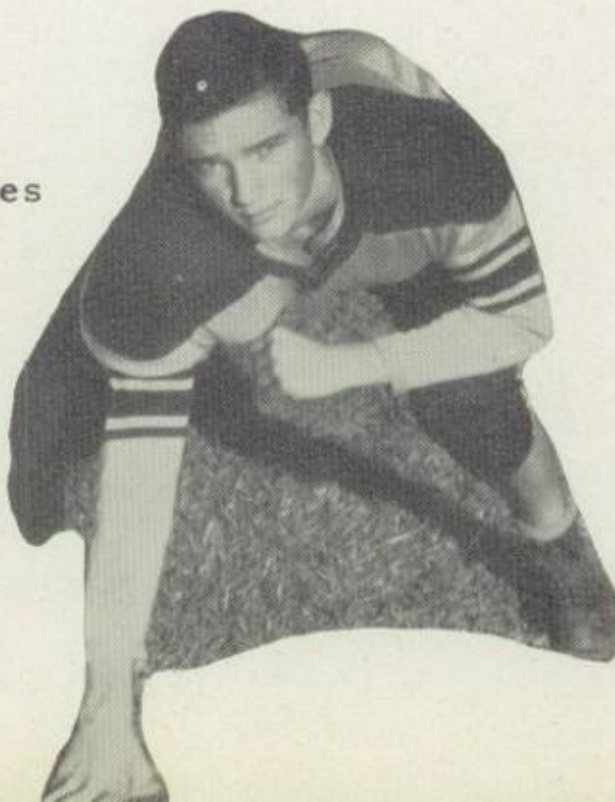

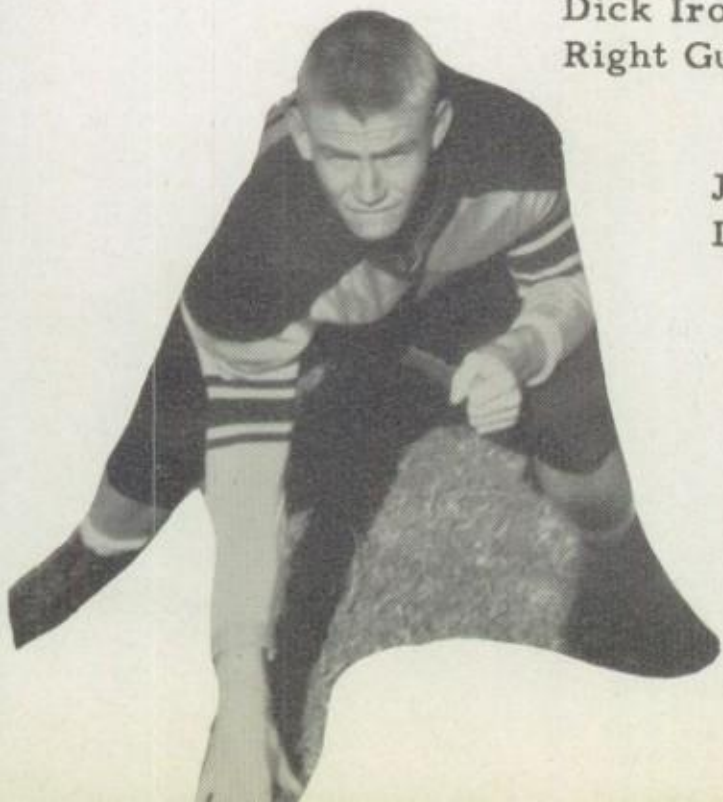

The line-up and summary for the Greenville game:

Demopolis Ruins Homecoming

Thomasville's Homecoming game with Demopolis proved to be a hard-fought game from start to finish Friday night at Thomasville, when Capt. Dwanton Seals' Demopolis Tigers met Capt. Huey Cassity's Thomasville Tigers.

The score at the end of the ball game was 19-13 in favor of Demopolis.

The scores were made in the second period, a pass from Chiles to Boulter started the Demopolis team off on a series of plays netting a total of 80 yards.

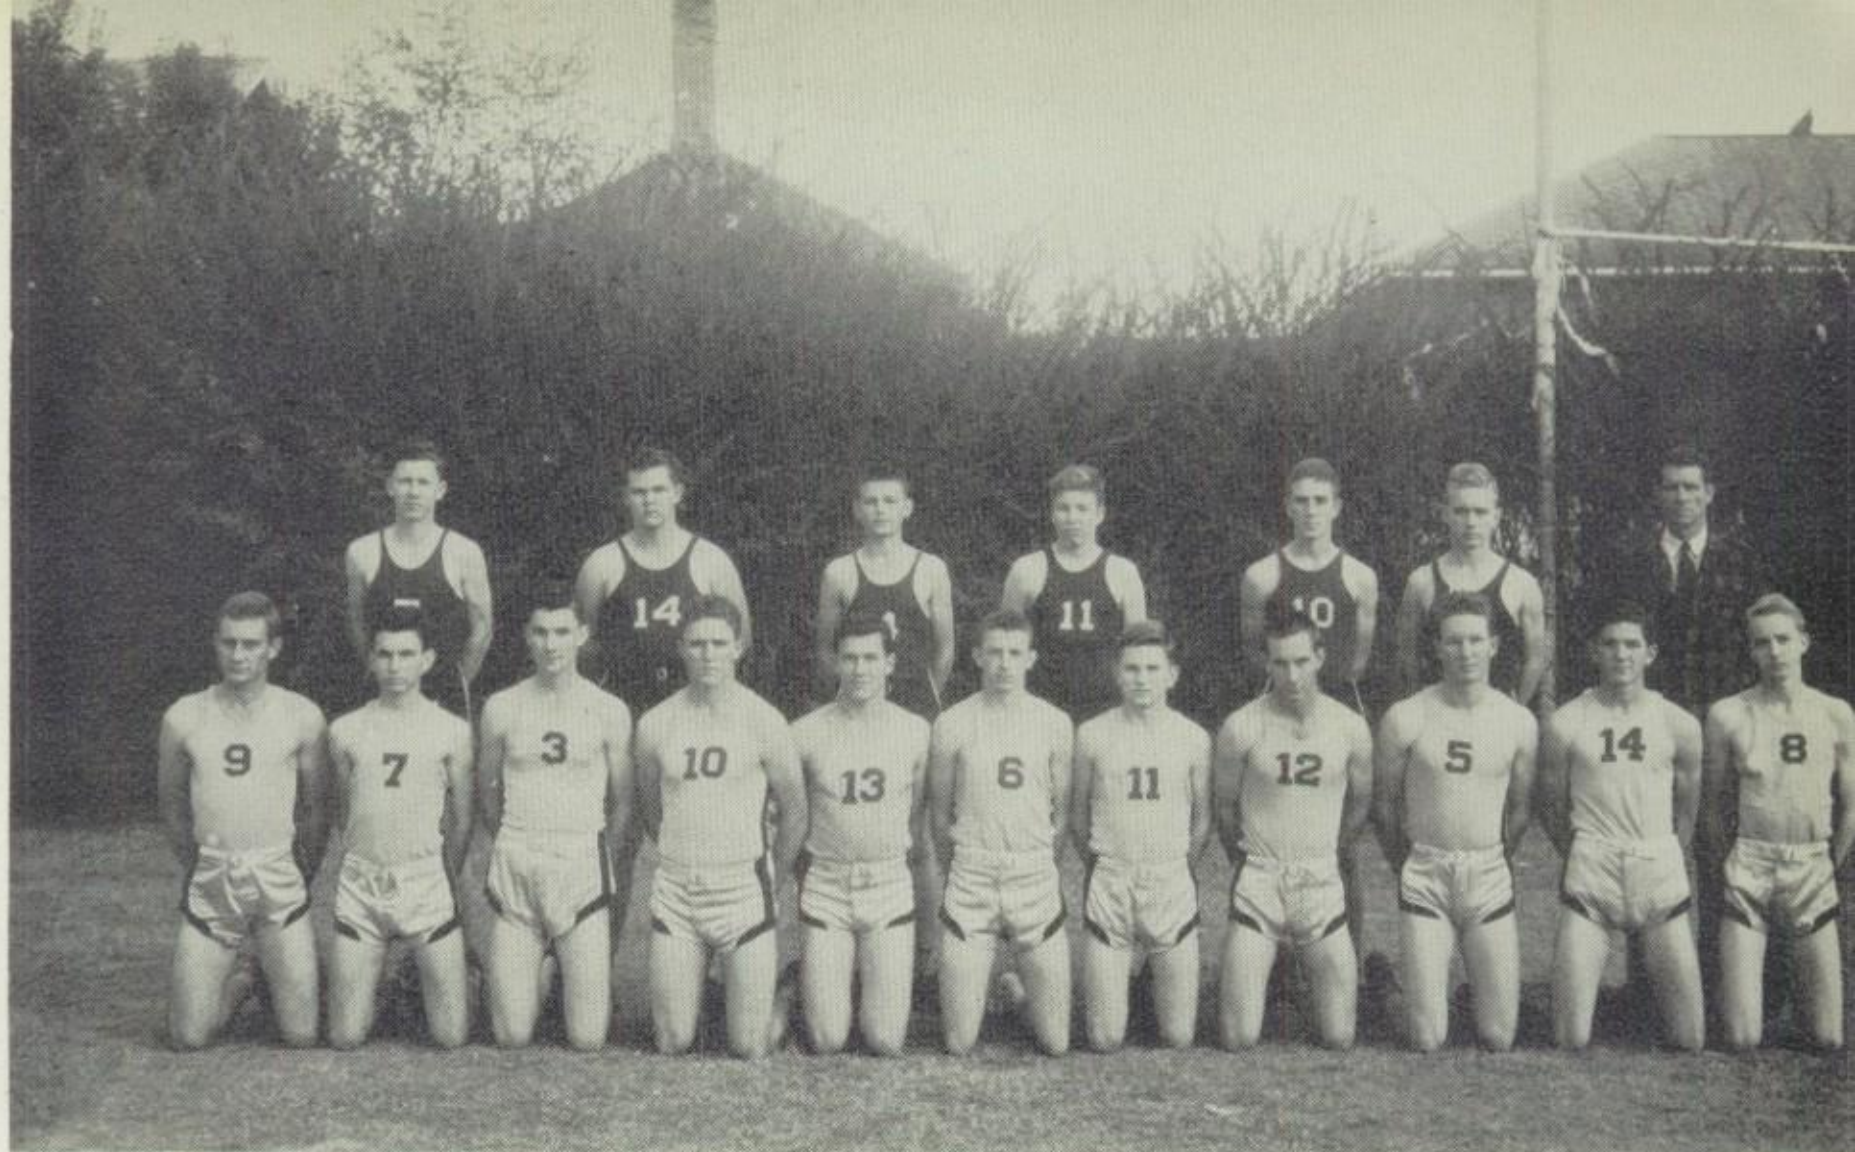

Dozier took the ball on the Thomasville 13-yard line, around left end for the first touchdown for Demopolis. Thomas executed a successful key block to make this touchdown possible.

The second touchdown for Demopolis came soon after when Chiles again handed off to Thomas who weaved his way through would tacklers in a sensational run of 66 yards for a touchdown. The try for an extra point was no good.

Thomasville showed its power in driving the line all the way down the field for a touchdown. Due to a penalty for holding against Demopolis, the ball was placed on the Demopolis one-yard line.

Rickett drove over the goal for the touchdown. Rickett also faked a punt, and passed the ball into the end zone for Thomasville's extra point.

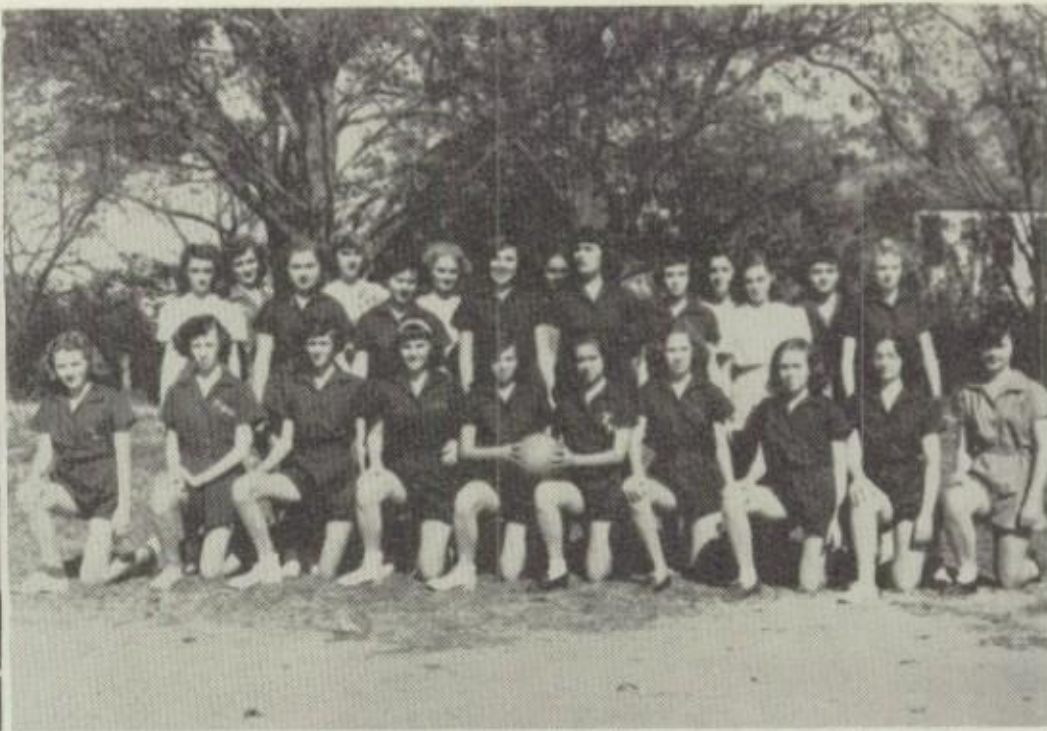

Thomasville rallied and carried the ball down the field picking up yardage with powerful line drives and Rickett again carried the ball over for a Thomasville touchdown.
